

Written Reports

Alaska United Methodist Conference Pre-Conference Handbook

A written report is expected from ALL committees, units, and ministries of this conference. Where possible, we are particularly interested in how your work of ministry has tried to address any of the five priorities of our conference vision directly or indirectly.

As a reminder, our Vision Theme is *20/20 Vision: Leading to God's New Horizons*. Our five priorities are: *Stewardship, Revitalization of Churches, New Church Development, Native Outreach, and Youth & Young Adults*.

It has been our tradition to allow ½ page in the Pre-Conference Handbook for each of these reports (approximately 250 words). **Please email your report in Word format by April 9, 2019, to Crystal Feaster at alaskaumc@gmail.com.**

If your report will require action by the Conference and will need to be presented on the floor of the annual meeting, please contact Karen Martin Tichenor at hope4glory.kmt@gmail.com or Crystal at alaskaumc@gmail.com.

Thank you for submitting your report by April 9, 2019.
