

Written Reports

Alaska United Methodist Conference Pre-Conference Handbook

A written report is expected from ALL committees, units, and ministries of this conference.

It has been our tradition to allow ½ page in the Pre-Conference Handbook for each of these reports (approximately 250 words). **Please email your report in Word format by April 15, 2023, to Crystal Feaster at alaskaumc@gmail.com.**

If your report will require action by the Conference and will need to be presented on the floor of the annual meeting, please contact Lisa Talbott at lisamarietalbott@gmail.com or Crystal at alaskaumc@gmail.com.

Thank you for submitting your report by April 15, 2023.
